Where can i watch rambo

The year was 1982. Late Night with David Letterman premiered on NBC, Chariots of Fire bagged Best Picture at the 54th Academy Awards, and the san Francisco 49ers won their first Super Bowl. And that's also the year audiences met the legendary John Rambo for the first Blood was the ultimate action movie of that era and it instantly became popular in its time, kicking off a franchise and spawning a series of movies that would be released in the coming years. Inspired by the eponymous novel by David Morrell, First Blood featured Sylvester Stallone as John Rambo, who continues to be the hero of the whole series. The Rambo franchise soon became so iconic that the legacy of the character has since spanned 32 long years with five installments, an animated television series with 65 episodes, and multiple video games. And more importantly, the fan following the franchise created for Stallone's Rambo is quite different from that of the book, his character left a mark on the audience. His tragic life and his deep-seated trauma, countered by his muscular figure, heavy-duty weapons, and bandana-clad, sweat-soaked body, became the archetypical image of an action hero for the next two decades. The movie series kicks off years after the Vietnam War with Rambo going to meet a friend in a small town in Washington. He soon ends up in trouble with the local police and a mini militia as the situation quickly becomes increasingly disastrous. The stories of the sequels that followed see Rambo in different challenging and life-threatening situations, where he must save himself and others who seek his help. The one major difference between the 80s movies and those from the 2000s is the character arc of John Rambo. While the early installments focused more on glorifying the war and Rambo's battles, the later ones brought back the angry hero that Morrell had created in the novel but also explored his emotions. In a way, you could say that the entire franchise is the journey of Rambo's life and his evolution. Now, if you are looking to revisit the saga of John Rambo, then there's an order in which you should watch them. The first three movies are somewhat connected, each taking off from where the previous one ended. But the last two movies are more standalone stories. From First Blood to Last Blood, here's a quick guide on how you can watch the five Rambo movies in order of chronology and their releases coincide. Buckle up soldier, because it's going to be a bloody ride. Image via Orion Pictures First Blood - October 22, 1982 Rambo: First Blood Part II -May 22, 1985 Rambo III - May 25, 1988 Rambo - January 25, 2008 Rambo - Blood and ending with the last. 1. First Blood (1982) Image via Orion Pictures Directed by Ted Kotcheff from a screenplay written by Michael Kozoll, William Sackheim, and Sylvester Stallone, Brian Dennehy, and Richard Crenna in the leading roles. First Blood introduces John Rambo as a US Army veteran of the Vietnam War who is quite traumatized by his past. Seven years after the war, Rambo is now homeless and trying to make his way into a small town to meet a dying friend. But as luck would have it, he gets into trouble with the local sheriff, which unleashes the killing machine that he was trained to be. 2. Rambo: First Blood Part II (1985) Image via TriStar Pictures After the incidents of First Blood, Rambo ends up in a rural labor work prison. Three years later, he is visited by Col. Sam Trautman (Richard Crenna), who sends him on a secret mission to Vietnam. A small group of US soldiers is still in enemy custody as POWs in Vietnam and Rambo must infiltrate their location to get photographic proof. Rambo agrees to go through with the mission in exchange for a pardon. The movie follows his journey to Thailand and then Vietnamese troops. 3. Rambo III (1988) Image via TriStar Pictures Taking off from the Vietnam mission in the previous movie, Rambo III explores the Soviet-Afghan War that happened in the 1980s. John Rambo to go to Afghanistan and investigate the Soviets. When Rambo hears about this, he heads to Afghanistan to save the colonel. 4. Rambo (2008) Image via Lionsgate/TWC Stallone himself directed this fourth installment of the franchise. It's been 20 years since the events of the Soviet-Afghan War and John Rambo continues to live in Thailand and works as a snake catcher. Meanwhile, the Saffron Revolution has broken out in Myanmar. A team of Christian missionaries seeks Rambo's help to enter the country on a humanitarian mission. He reluctantly helps them cross the borders and when the group gets attacked by rebels, Rambo sets out to rescue them with no-holds-barred violence. 5. Rambo: Last Blood (2019) Image via Lionsgate In the fifth and final installment of the franchise, Sylvester Stallone once again co-wrote the screenplay, alongside Matthew Cirulnick. Directed by Adriana Barraza, and Yvette Monreal in major roles. It's been 11 years since the events of the last film and Rambo now lives on his deceased father's ranch in Arizona, along with his friend Maria and her granddaughter Gabriela suddenly learns about her biological father who is supposedly in Mexico and wants Rambo to accompany her there. But Rambo refuses and fails to stop her from going. When Gabriela suddenly learns about her biological father who is supposedly in Mexico and wants Rambo to accompany her there. soon kidnapped by the Mexican cartel. As expected, Rambo heads to Mexico to rescue Gabriela while fighting off the local cartel. This movie wraps up the entire storyline of John Rambo with flashbacks from the previous installments. When it comes to what we're storeaming while social distancing, sometimes we're looking for quality over quantity but who says we can't have both? If you've already made it through an epic TV binge or two, perhaps it's time you dived into one of the many film franchises currently streaming. Some of these movies are on platforms you probably subscribe to already, while others can be rented at a relatively low cost. Either way, you'll be entertained for many hours (and in some cases, days) by these movie marathons you can stream right now. And if you're looking for something the whole family Can enjoy, try these 16 Classic Family Movies to Stream With Your Kids. Walt Disney +, along with the standalone films Rogue One: A Star Wars Story and Star Wars: The Clone Wars. Solo: A Star Wars Story is currently streaming on Netflix. At last, Star Wars Story is currently streaming on Netflix. At last, Star Wars Story is currently streaming on Netflix. satisfied by watching the stories of Anakin, Padme, Luke, Leia, Han, Rey, Finn, and Poe, you can supplement your viewing with Rogue One, Solo, and The Clone Wars, the last of which also spawned a seven-season animated TV series. And to make the most of your Disney+ subscription, These Are the Best Movies to Stream on Disney+. United ArtistsWhere to watch: All four Pierce Brosnan James Bond movies are streaming on Netflix. The other 22 movies can be rented on Amazon.ae0fcc31ae342fd3a1346ebb1f342fcb Yes, you will have to pay for access to most of the James Bonds: Sean Connery, David Niven, George Lazenby, Roger Moore, Timothy Dalton, and Daniel Craig, but if you have Netflix and want a much shorter marathon, you can watch the four Pierce Brosnan films there. Either way, there are far worse ways to spend your day than with a suave international spy—and maybe a martini (shaken, not stirred). Plus, a James Bond morie, No Time to Die. Walt Disney Studios Motion PicturesWhere to watch: All four Toy Story movies are streaming on Disney+, Feeling nostalgic for your childhood, or just in the mood to cry...a lot? You've got a friend in Disney+, which has you covered with all four Toy Story movies, including the most recent release, 2019's Toy Story 4. And for even more recent films to stream, here are 18 2020 Movies Streaming Right Now and Where to Find Them. Universal PicturesWhere to watch: Fast Five and Fast & Furious films in the other seven movies can be rented on Amazon. Sadly, we have to wait another year for F9, but at least we can enjoy the existing Fast & Furious films in the meantime. You can watch the series in its original release order or in the proper chronological order—you're almost guaranteed a good time either way. New Line CinemaWhere to watch: All three Lord of the Rings movies can be rented on Amazon. What can you see on the horizon? Could it be you revisiting Peter Jackson's epic adaptation of J.R.R. Tolkien's classic trilogy? While there are only three Lord of the Rings movies, they're long enough to keep you busy for quite a while. Plus, if you just can't get enough of Middle Earth, you can always dive into Jackson's (less beloved) Hobbit trilogy, also available to rent on Amazon. And for more movies that will lift your spirits, check out these 15 Uplifting Movies You Can Watch on Netflix Right Now. Universal PicturesWhere to watch: Seven movies in the original Halloween series can be rented on Amazon, while Halloween series can be rented on YouTube. The two Rob Zombie movies can also be rented on Amazon, along with David Gordon Green's 2018 reboot. Let's get this out of the way first: The movies in the Halloween series varies wildly in terms of quality. Also, if you're going to watch all 11 of these movies, you're going to movie marathon is one of the best ways to distract yourself from real-life horrors, and you could do a lot worse than Michael Myers right now. And if you want to stay scared, these are The 18 Best Horror Movies on Netflix Right Now. Universal PicturesWhere to watch: All three Jurassic World: Dominion hits theaters, given that production was shut down amid the coronavirus pandemic. That doesn't mean that you can't watch the preceding two Jurassic World films, as well as the original Jurassic Park trilogy, which is plenty of dinosaur entertainment to keep you occupied for a while. Warner Bros.Where to watch: All three Matrix movies are streaming on Netflix. Starting to feel like we're living in a simulation? You're not alone. That ought to make revisiting the Matrix trilogy right now an extra thrilling experience. Sadly, The Matrix 4 is another production currently on pause thanks to coronavirus, so for now you'll have to sit back and enjoy the original three films. Paramount PicturesWhere to watch: Mission: Impossible - Fallout is streaming on Hulu. The other five movies can be rented on Amazon. Another franchise, another coronavirus-induced delay. No matter—there are still six Mission: Impossible movies to enjoy right now, and the stunts (and Tom Cruise) somehow get better in each one. That's especially impressive when you realize this series has been going strong for nearly 25 years. Warner Bros.Where to watch: All three Before movies can be rented on Amazon. In the mood for something a little mellower than one of the major action or horror franchises? Perhaps you'll enjoy the quieter aims of Richard Linklater's Before trilogy, which picks up with Ethan Hawke's Jesse and Julie Delpy's Céline every nine years. Just be prepared for some serious emotional turmoil. Walt Disney Studios Motion PicturesWhere to watch: Disney + has 20 of the MCU movies streaming. The Incredible Hulk, Spider-Man: Far From Home can be rented on Amazon. Pesky streaming rights mean you won't be able to watch all 23 of the existing Marvel Cinematic Universe movies on Disney+, but if you're feeling like a completist, you'll probably be willing to shell out a few extra bucks for the three that are missing—perhaps even the much maligned. The Incredible Hulk. Either way, you are in for an epic marathon that even the hardiest couldn't conquer in one sitting. Paramount PicturesWhere to watch: All four Indiana Jones movies are streaming on Netflix. Sure, there are some people out there who like to pretend that Indiana Jones was a trilogy, but those original three films and the much more divisive 2008 sequel are all streaming on Netflix. Star Wars marathon if you want your viewing choices to be all Harrison Ford, all the time. Walt Disney +, along with the standalone film Sharpay's Fabulous Adventure. Whether you're young at heart, or just really into Zac Efron, the High School Musical movies can offer some surprising delights. While the original trilogy is hard to (bop to the) top, you might as well add Sharpay's Fabulous, you can also check out the truly great Disney+ original series High School Musical: The Musical: Series. Get your head in the game. Paramount PicturesWhere to watch: All five Rambo movies can be rented on Amazon. From 1982's First Blood to 2019's Rambo. If you're sensitive to violence, this probably isn't the movie marathon to stream—but if you're still in the mood for some Stallone, you could always opt for the Rocky series instead, which has considerably less bloodshed overall and can also be rented on Amazon in its entirety. 20th Century FoxWhere to watch: The four original Alien movies are streaming on HBO, along with Alien vs. Predator. The prequel films Prometheus and Alien: Covenant can be rented on Amazon, as can Alien vs. Predator: Requiem. If you want to enjoy the prequels and spinoffs on top of that, you'll have to do some renting. Whatever journey you choose, it's hard to beat the terror and thrills of this ambitious and iconic sci-fi series. Music Box FilmsWhere to watch: All three Millennium movies are streaming on Amazon Prime. While David Fincher's Girl With the Dragon Tattoo film didn't earn any immediate sequels, the original 2009 Swedish adaptation—starring Noomi Rapace as Lisbeth Salander—got two follow-up films, completing the series based on Stieg Larsson's literary trilogy. (And if you can't handle subtitles, the American Girl With the Dragon Tattoo and the quasi-reboot The Girl in the Spider's Web are available to rent on Amazon.) Buena Vista Pictures DistributionWhere to watch: The first four Pirates of the Caribbean movies are streaming on Disney+. Pirates of the Caribbean: Dead Men Tell No Tales can be rented on Amazon. If you're missing Disney World right now, you can enjoy the virtual ride that is the Pirates of the Caribbean film series, most of which is streaming on Disney+. (The most recent film, Dead Men Tell No Tales, will be added to the service in December.) Whether you're a fan of Johnny Depp's Captain Jack Sparrow or just in need of some seafaring adventure, this marathon will help your homebound imagination set sail.
